Delivery Van Shelving Package FTH-19

Ranger Design specializes in providing mobile tradespeople with storage solutions that best suit their needs. Ranger Design’s cargo van trade packages are designed to fit in all of today’s commercial vans. Our packages are specifically designed to ensure your most frequently used tools are within reach.

Ranger Design delivery van shelving systems are designed to help you work better, and save money. It’s a fact – a well-organized van will save you time, prevent injury and increase your payload.
